## mini-park and associated streetscapes

Community Workshop #2 was held Nov. 16, 2011

## how can i get involved?

Community involvement in this project is crucial to ensuring a successful plan that meets the needs of your community. Attend Community Workshop #3, where City staff and project consultants will share the preferred alternative for design of the mini-park and streetscapes that reflect the community's vision and design elements as developed throughout the process.

### Community Workshop #3

Open House: 5:30 p.m. - 6:00 p.m.

Workshop: 6:00 p.m. - 8:00 p.m.

Monday, March 19, 2012

North Park Theatre

2891 University Avenue

Upstairs Conference Room

Input from the Community Workshop #3 will help to finalize design of the General Development Plan (GDP) for the future Mini-Park and a Streetscape Master Plan, which will be reviewed at Community Workshop #4 in a joint session with a special meeting of the North Park Recreation Council.

### Community Workshop #4 & North Park Recreation Council Special Meeting

6:00 p.m. - 8:00 p.m.

Monday, April 23, 2012

North Park Recreation Center

4044 Idaho Street, San Diego

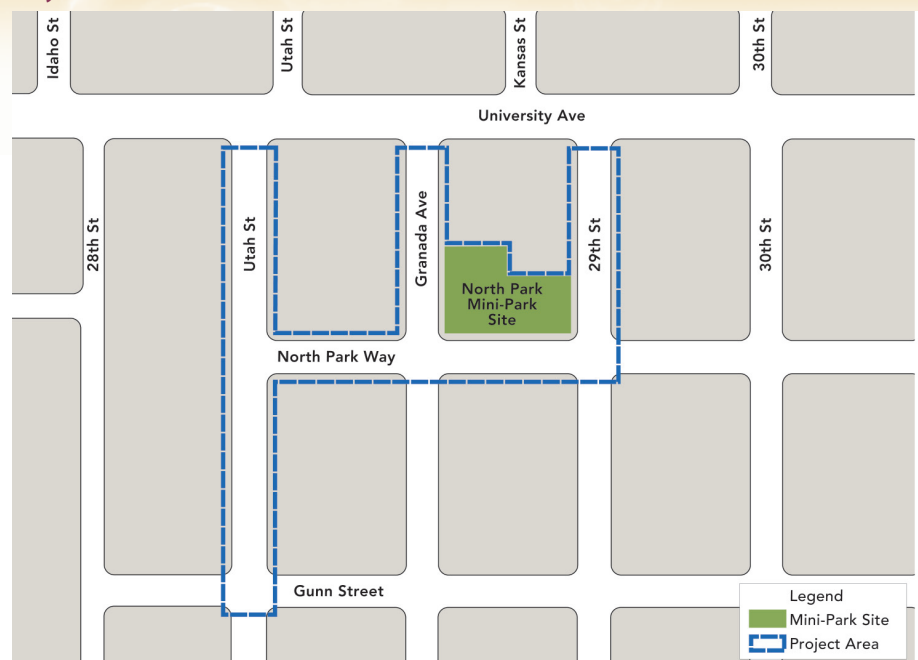

All workshops are free and open to everyone. Light refreshments will be served.

Final design reviews and approvals will be scheduled through June 2012. Please stay tuned!

## planning of the north park mini-park and associated streetscape improvements project

The Greater North Park community has a unique opportunity to create a new urban park and enhanced streetscapes behind the recently renovated North Park Theatre. The future North Park Mini-Park will serve as a central gathering space for the community, with enhanced connections to the residential area to the south, the future Jefferson Elementary School Joint Use Improvements, and the business district on 30th Street and University Avenue.

Originally conceived by local community members, the 0.5 acre Mini-Park is envisioned as being reflective of the surrounding area's intensive urban character, and designed for passive recreational uses. Associated improvements to connecting streets will include recommendations and guidelines on design components. The streets included will be: 29th Street from University Avenue to North Park Way; Granada Avenue for University Avenue to North Park Way; Utah Street from University Avenue to Gunn Street; and North Park Way from 29th Street to Utah Street.
